For Parents

DARREN LAUR

**Helping Parents Understand The Power Of Digital
Technology: How To Best Manage A Tween's or
Teen's High Risk Behaviour Online**

- How online predators covertly “Socially Engineer” kids for access.
- Digital citizenship, online ethics, online critical thinking and the challenges surrounding your child's privacy (digital dossier), cyber-bullying, sexting & what parents can do now to protect their child's digital footprint.

Mon Apr 8

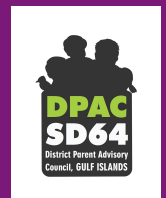

7pm

GISS

Multi-purpose Room

**Free Community
Event**

Presented in
Partnership with:
GISS, SIMS
& DPAC

Gulf Islands Sec. School
112 Rainbow Road, SSI
